paper & the App

paper is where you plan and look back. the app guards your habit live

This kit was made from **Dear Brain**, a free iPhone app. Everything you do on these pages, the app can do with you, in the moment your phone is pulling you away.

ON PAPER	IN DEAR BRAIN
Habit plan	Pick from 100+ habits with ready-made steps, and give it a time
Daily steps	A step-by-step timer walks you through each one
Phone rules	The apps you choose really lock until the habit is done
Proof photo	Snap it, Dear Brain checks it, your apps open again
Trackers	Streaks, calendar and widgets fill in by themselves
Winter Arc	Do each habit on 20 days in November and share your card

THE BEST WAY TO USE BOTH

Plan on pages 3 and 4 by hand. Set the same habit up in the app and let it lock your apps and check your proof each day. On Sundays, sit down with page 14 and look back on paper.
